

UDL Credential & Certification Initiative (UDL CCI)

Platform Overview

Project Name: UDL Central

Levels of Content Attributes

Major Content Topics

- UDL across grades and disciplines
- UDL and Instructional Design
- Professional Development
- UDL Implementation
- UDL Stories
- Administrator Perspectives
- UDL and Higher Education
- UDL in Teacher preparation
- UDL Research
 - Measuring UDL
- Products and Services

Additional Detail on Content Subtopics

UDL across grades and subjects

- UDL in preschool settings
- UDL in elementary classrooms
- UDL in secondary settings
- UDL and literacy instruction
- UDL and STEM instruction
- UDL and social Studies/history instruction

UDL and instructional design

- Lesson planning using a UDL framework
- UDL and flexible grouping for all students
- Classroom routines
- Technology integration
- UDL in inclusive settings
- Addressing cultural diversity
- Developing expert learners
- Templates, rubrics, models, self-reflection tools

Additional Detail on Content Subtopics

Professional Development

- Designing professional learning using a UDL framework
- Effective UDL coaching
- UDL templates and slide deck exemplars
- Coaching resources
- Supporting UDL PLCs
- Model PD videos

Implementation

- Getting Started
- District models of implementation
- Changing teacher practices
- Developing UDL ambassadors
- UDL Implementation trends
- Lessons learned
- Scaling UDL

Additional Detail on Content Subtopics

UDL stories

- **Case studies**
- **Testimonials**
- **Student voices**
- **Parent voices**
- **Video exemplars**

Administrator perspectives

- UDL in school improvement plans
- Networking and collaboration across schools
- District and state level leadership on UDL
- UDL and educational initiatives
- Aligning curriculum with UDL
- UDL and assessment design
- Outreach on UDL to school boards and parents
- UDL and the selection of learning products and web-based resources

Additional Detail on Content Subtopics

Higher Education	<ul style="list-style-type: none">• UDL and pre-service teacher preparation• Designing a syllabus using the UDL framework• UDL and online instruction• UDL and transition education for students with disabilities
Research and Measurement	<ul style="list-style-type: none">· Survey tools for gauging awareness of UDL· Classroom observation tools· Measuring UDL in practice· Effective practices to predictors matrix· Research methodologies

Additional Detail on Content Subtopics

Products and Services

- UDL-based rubrics and checklists for for product designers and content developers
- Through the UDL lens: How content can be designed to be consistent with UDL principles
- Innovative uses of technology in UDL classrooms
